Watercolor is a terrific medium for painting from life. In this class, you will learn to use watercolors with an experienced instructor who has traveled throughout Europe with students of all ages, painting the world's cities. Come along on a relaxing journey with watercolor as a means to document life's experiences and the beauty of nature and local places. All levels are encouraged, and painting field trips to local landmarks will be scheduled. Ages 9 to adult.

The \$55 Materials Fee includes:

- Travel Set of Watercolors – 10 or 12 half pans in a case, usually includes Yellow Ochre, Burnt Sienna, Payne's Gray, Viridian, Sap Green, Ultramarine Deep, Cerulean Blue, Permanent Red Light, Madder Lake Deep, Chinese White, Permanent Lemon Yellow, and Azo Yellow Medium with a pointed round synthetic fiber pocket brush (Size 6)
- Canson Foundation watercolor paper, 90 lb, 9 x 12 sheets, as needed
- Spiral bound field watercolor hardcover book, cold press 140 lb. watercolor paper
- #2 HB pencils
- Ultra-fine tip artist's pen, waterproof ink, size .05, sepia
- Additional camel hair brushes, various sizes

Notes:

E. Dominic Black is a Monrovia resident who is a professional artist and art teacher with a B.A. in Art and a Master's Degree in Education. He is the painting and drawing instructor at San Dimas High School, where he has taught basic, advanced and AP Studio art for over sixteen years. He also serves as department chair for the Visual & Performing Arts. Mr. Black has taught location sketching through the Community Education Program in Monrovia since 2014. Dominic has also taught 2D design at the Career and Technical Education Center in Pomona, where he created an advanced level painting program, the Reed Fine Arts Academy. Dominic is also the co-creator of "Palates & Palettes," food, wine and painting events held at the Millard Sheets Art Center. He is also a professional muralist, and he has created over ten murals for the city of San Dimas. Mr. Black has led art study trips through Europe every summer for the last seven years. He is currently preparing for his next field trip abroad with students to Greece in July 2018.
